Mother's Song.

Mother sang it years ago
On the little farm,
While a tired and sleepy boy
Rested on her arm.
While a squeaky rocking chair
Creaked and groaned below,
With the rhythm of the song
Sung so soft and low.
"Suwannee River"—still it rings
In these ears of mine.
"Suwannee River"—unto me
Nothing was so fine.
Still I hear the creaking chair,
Still the shadows creep,
Even now the little song
Makes me think of sleep.
Hoyhood sorrows were forgot
There on mother's breast,
"Suwannee River"—far away,
Brought me peaceful rest.
Many songs I've heard since then,
None has half the charm,
Mother sang it years ago,
Mother—on the farm.

Attack of Diarrhoea Cured by One Dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days without relief. I heartily recommend this remedy as being the best to my knowledge for bowel complaints.—H. G. Stewart, of the firm of Stewart & Bro., Greenville, Ala. For sale by all druggists.

Camp Meeting.

JUNIO, Ky., Sept. 4.—Our meeting is in full blast with large crowds. God is hearing our prayer. Souls are being saved and there is shouting in the camp. Rev. Marlin, the evangelist, is a mighty preacher intellectually and spiritually. His sermons, I have never heard surpassed. Sister Marlin, one of the finest musicians in the land to-day, furnishes us with the sweetest gospel singing and music. Miss Lucy Lee Mahan will arrive to-day and other evangelists and helpers will be in later in the week. Rev. J. T. Newson is expected to preach the dedicatory sermon next Sunday at 11 A. M. Come and be with us. No one can afford to stay away from this meeting. We will try to do you good. Yours truly,
CLARENCE J. STIFLE.

THE Crab Orchard Graded School will begin Sept. 9th and it is hoped that every pupil in the district will be present. Those from outside the district will receive a hearty welcome. Thorough instruction will characterize each department. The course of study continues from the primary grade through a good high school course, and those wishing special studies will be accommodated. The teachers have been carefully chosen, each having had successful experience in their departments. Those wishing to study music or book-keeping will find a good opportunity here. One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. Penny's Drug Store.

Chamberlain's Cough Remedy One of the Best on the Market.

For many years Chamberlain's Cough Remedy has constantly gained in favor and popularity until it is now one of the most staple medicines in use and has an enormous sale. It is intended especially for acute throat and lung diseases, such as coughs, colds and croup, and can always be depended upon. It is pleasant and safe to take and is undoubtedly the best in the market for the purposes for which it is intended. Sold by all druggists.

A woman may be surrounded by all the luxuries that money can buy, and have the fawning friendship of people whose smiles only live in prosperity; but if she feels herself unloved and alone in her heart, the crown jewel in her diadem of happiness is lost, things lose their value and life becomes monotonous. The honest, tender love of two brave hearts who have started out, and are struggling to get a home for their little ones, and money enough to feed, clothe and educate them, makes life a thousand times more attractive and inspiring.—Exchange.

Health in the Canal Zone.

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained however by the fear of fevers and malaria. It is the knowing one—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influences with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by Penny's Drug Store, 50c.

The foolish story that Gov. Durbin, of Indiana, has been offered \$93,000 to surrender Taylor to the Kentucky authorities doesn't pass muster even in the East. The Philadelphia Record says that it happens in this case, as in nearly all stories of a similarly sensational character, that the one man who knows all about it is dead, and the suggestions of bribery are, as usual, vague. It is a great pity, the paper adds, that the story of the offered bribe goes into circulation. It would never have been sent out except as a desperate attempt to counteract Taylor's refusal to accept immunity and come to Kentucky to testify for Powers.

The following is sent from Danville to the Louisville Times: While blowing smoke into a bee hive, preparatory to removing honey, B. F. Ferrill, a farmer, sucked a lot of bees through a cylinder into his windpipe. His windpipe, throat and stomach began to swell as a result of stings. Medical assistance was immediately summoned. Dr. M. L. Pipes, the Moreland physician, reached the scene first and spent four hours removing the bees. Mr. Ferrill is unable to swallow anything, but every available drug is being used to reduce the swelling and the physicians now believe that his life will be saved.

Consternation has been aroused within the ranks of the Methodist and Baptist churches of Harrodsburg growing out of the claims of the two churches for damages done to the buildings during the Civil War, following the battle of Perryville, when the churches were occupied as hospitals and commissaries by the soldiers in caring for the dead and wounded. For several years the churches have been endeavoring to recover damages from the Government, and about a year ago the Presbyterian church received \$1,100 as the amount of its claim, this church having also been used for hospital purposes during the war. A few weeks ago Dr. John B. Lillard, said to be an atheist, is alleged to have written a letter to the Department of Justice at Washington in which he claimed the churches here were attempting to defraud the Government and that their claims were illegal and unjust. In his letter Dr. Lillard asserted that the Methodist church was only occupied by the soldiers for four or five days and that no damage whatever was done to it. The meetings were not interfered with. Dr. Lillard says, and he protests against the government paying the claims.

THE MARRIED MAN.

When a man marries, Trouble begins; Buttoning waists, And putting in pins. Looking at bonnets, To see if they're straight; Ready to start, Then having to wait, Hunting for robbers, Under each bed; Roused in the night, For a blanket to spread, When the rain comes, Though you're wrapped in repose, Roused with a shout, All the windows to close. Summoned at morn, To start up the fire; Get in the milk, In your scanty attire. Run to the store, For the food you would eat; Get in the ice, Ere it melts in the street. Hurry to work, Hurry back with your pay—When a man marries, So passes the day.—Detroit Free Press.

Lame Back.

For sixteen years this remedy has been recommended for stomach, liver and bowel complaints and the fact that each year more and more families are using it proves that it has the merit claimed for it, and the letters we are constantly receiving proves that it is curing these diseases. Hence the guarantee is justified.

Mr. Alston, of Dayton, O., writes Dr. Caldwell's Syrup Pepsin is the best laxative tonic on the market because, to use his own words, "It does all you claim for it and I do not know of another medicine of its kind that does." Mrs. Williams, of Sidney, Ill., writes that she has used it in her home all her married life and would not keep house without it. Thousands of others have written to the same effect.

If you have any complaint for which Dr. Caldwell's Syrup Pepsin is recommended go to your druggist and get a 50 cent or \$1 bottle. Take it on the basis that we guarantee satisfaction. You will find it gentle in action and pleasant in taste.
